EXPERIMENT - 3a

ROLL NO: 240701167 **NAME: HARINI NAGARAJAN**

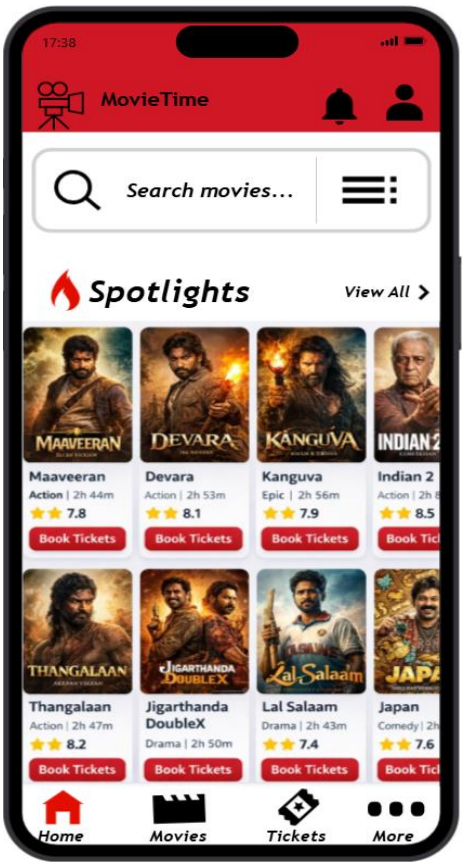
Create a prototype with familiar and unfamiliar navigation elements using proto.io .

AIM:

The aim is to develop a prototype incorporating both familiar and novel navigation elements and assess usability among diverse user groups using Proto.io.

PROCEDURE:

Screen 1:



Home Page – Movie Listing:

Familiar Icons:

1. **Search Bar**
    - **Used for searching movies in the application.**
    - **Users can type the movie name to quickly find available shows.**
2. **Notification Bell Icon (🔔) – Top Right Corner**
    - **Indicates notifications such as offers, updates, or booking reminders.**
3. **Profile Icon (👤) – Top Right Corner**
    - **Represents the user account.**
    - **Allows users to access profile settings and booking history.**
4. **Bottom Navigation Icons**
    - **Home (🏠) – Returns to the main movie listing page.**
    - **Movies (🎬) – Displays all available movies.**
    - **Tickets (🎟) – Shows booked tickets.**
    - **More (⋯) – Provides additional options and settings.**

Unfamiliar Icons:

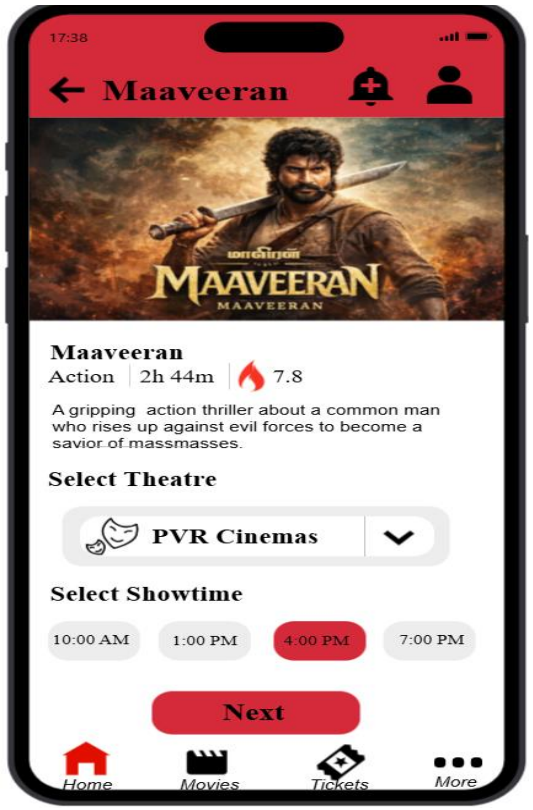
Fire Symbol (🔥) – With the word "Spotlights"

- **Represents highlighted or trending movies in the application.**
- **Instead of using the commonly used star icon, the fire symbol indicates movies that are currently popular or highly recommended.**

Spotlights

- **Used instead of common terms like “Now Showing” or “Featured Movies.”**
- **It indicates the top or highlighted movies currently available for booking.**

Screen 2:



Movie Details Page:

This screen shows detailed information about the selected movie.

Familiar Icons:

1. **Back Arrow (←) – Top Left Corner**
   - **Allows users to return to the previous page.**

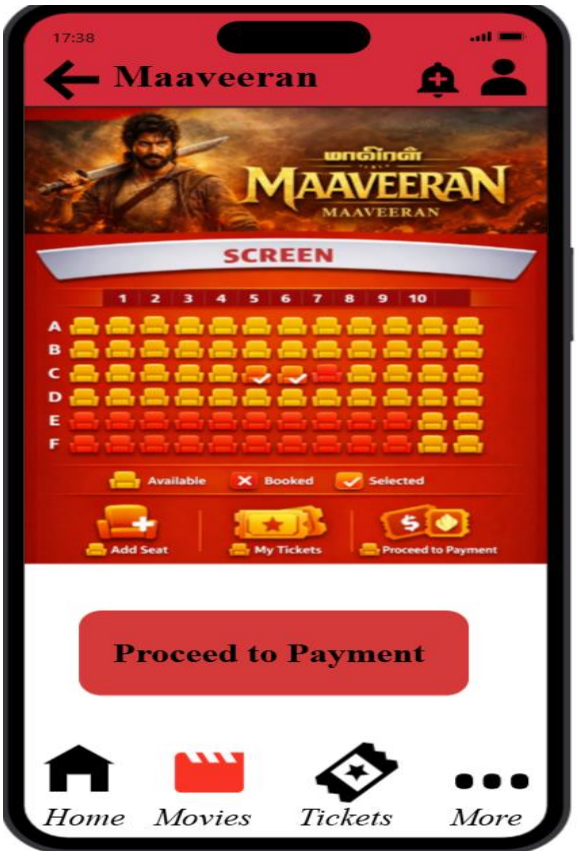
2. **Notification Icon (🔔)**
    - **Displays updates related to bookings or offers.**
3. **Profile Icon (👤)**
    - **Allows access to the user's account.**

Unfamiliar Icons:

Theatre Mask Icon (🎭) – Near the Theatre Name

- **Represents the theatre or cinema location where the movie is being screened.**
- **Instead of using a location pin symbol, the theatre mask indicates entertainment venue or cinema screen location.**

Screen 3:



Seat Selection Page

This page allows users to choose seats for the movie.

Familiar Icons

1. **Seat Grid Layout**
    - **Represents available, booked, and selected seats.**
2. **Back Arrow (←)**
    - **Allows navigation to the previous screen.**
3. **Home Icon (🏠) – Bottom Navigation**
    - **Returns to the home page.**

Seat Indicators

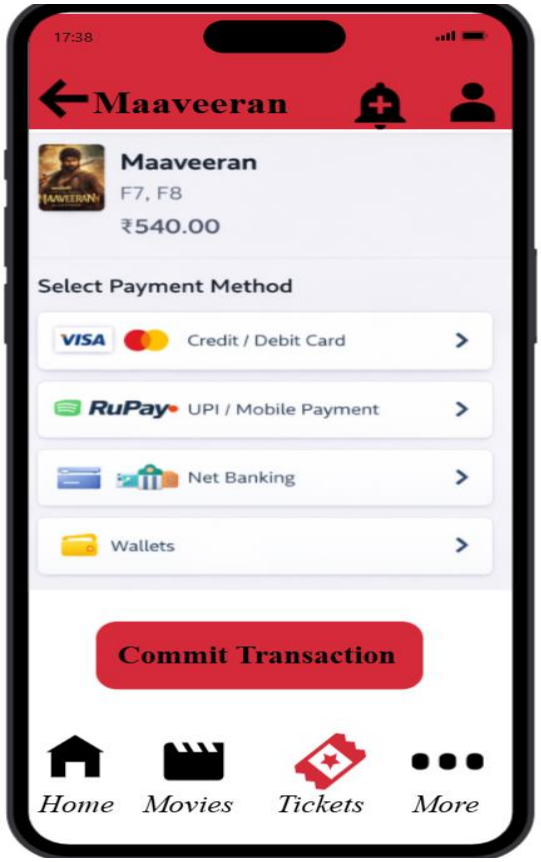
- **Available Seats – Empty seats available for booking.**
- **Selected Seats – Highlighted seats chosen by the user.**
- **Booked Seats – Already reserved seats.**

Action Button

Proceed to Payment

- **After selecting seats, users click this button to move to the payment page.**

Screen 4:



Payment Page

This screen allows users to select payment methods.

Familiar Icons

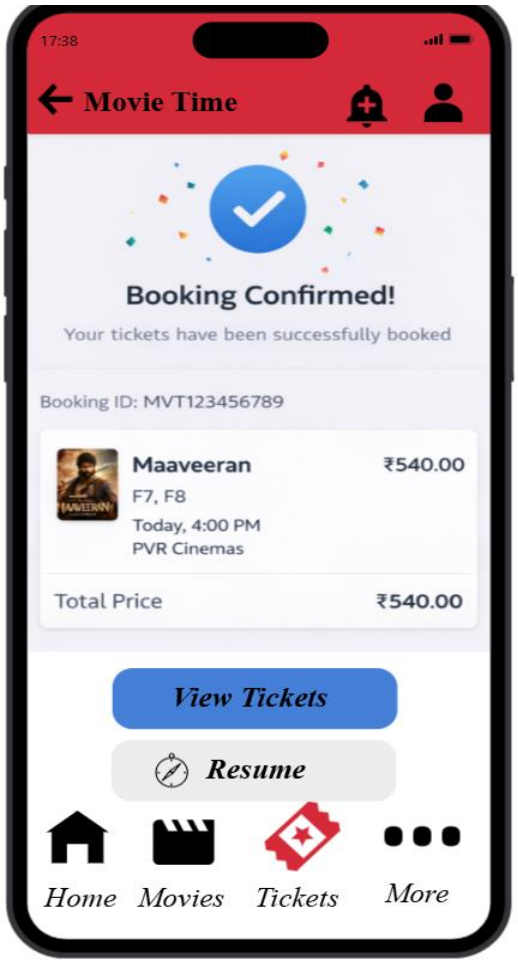
1. **Payment Method Icons**
    - **Visa / Mastercard – Card payments**
    - **UPI – Mobile payment option**
    - **Net Banking – Online banking payment**
2. **Back Arrow (←)**
    - **Returns to the previous screen.**

Unfamiliar Words

Commit Transaction

- **Used instead of common words like Pay Now or Confirm Payment.**
- **This term indicates final confirmation of the payment process.**
- **Once clicked, the transaction is completed and the ticket is booked.**

Screen 5:



Booking Confirmation Page

This page confirms that the ticket booking was successful.

Familiar Icons

1. **Checkmark Icon (✓)**
    - **Indicates successful booking confirmation.**
2. **View Tickets Button**
    - **Allows users to view their booked tickets.**

Unfamiliar Icons:

Compass Icon (□)

- **Used as a navigation symbol for returning to the home page.**
- **Instead of the common home icon, the compass represents navigation back to the main page.**

Unfamiliar Words:

Resume

- **Used instead of Back to Home.**
- **Indicates that the user can continue browsing movies or start a new booking process.**
